Event details

Hundreds of thousands of people in the UK are affected by mental health issues and dementia. There is a lot of pioneering mental health and dementia research taking place in our Trust and this event is a great way to find out more about it. The event is hosted by Cambridgeshire and Peterborough NHS Foundation Trust (CPFT) and takes place as part of the International Clinical Trials Day celebration.

Speakers include:

Prof Ed Bullmore, Director of Research and Development Department at Cambridgeshire and Peterborough NHS Foundation Trust

Prof Peter Jones, Professor of Psychiatry and Head of the Department of Psychiatry at the University of Cambridge, and Honorary Consultant Psychiatrist at Cambridgeshire and Peterborough NHS Foundation Trust

Prof John O’Brien, Professor in Old Age Psychiatry at the University of Cambridge and Honorary Consultant Psychiatrist at Cambridgeshire and Peterborough NHS Foundation Trust

Dr Valerie Voon, Consultant Psychiatrist at Cambridgeshire and Peterborough NHS Foundation Trust and Wellcome Trust Clinical Fellow at the University of Cambridge

Aidan Thomas, Chief Executive of Cambridgeshire and Peterborough NHS Foundation Trust

During the event, you will:

• Learn about the exciting research taking place in our Trust and beyond
• Meet with researchers and health professionals and exchange ideas; and
• Find out how you can help by supporting NHS research.

There will be short talks from researchers, poster displays and a networking session where you can interact with researchers and health professionals. Refreshments will be available at no charge.
