

# Community Respiratory Support Team

Cambridge, Doddington, Huntingdon and Peterborough 2018

*Pride in our older people's and adult community services*

## What do we do?

The Community Respiratory Team provides specialist care for patients and their families who are living with chronic lung disease.

The service is available to all people living with a chronic lung disease who have a GP in their local area.

We can provide:

- Home care and support during periods of exacerbation
- Long term management of your respiratory condition
- Oxygen therapy assessment and management
- Symptom management
- Liaison and referral to other agencies if required

Support can be provided through:

- Telephone contact
- Home visits
- Clinics held in the community
- Education and information

## Contact details and working hours

0330 726 0077

Mon – Fri 8am – 6pm
