

These instruments are intended for use on **one person only**. Do not share them with anyone else.  
Speak to the clinician before treatment if you believe they have been used on somebody else.

Date of purchase: .....

1. The instruments will be cleaned with disinfectant wipes before and after use in the clinic.
2. They must only be used for their intended purpose –i.e. toe nail cutting and filing.
3. Your instruments should be stored in the case provided. This will keep them clean and dry until the next appointment.
4. Your nippers may be cleaned in warm soapy water. It is important that they are washed after every use and that they are dry before storage to prevent damage.
5. Please wash and dry your hands before and after using the nippers and file.
6. Report any defects to the clinician before treatment commences as if your nippers are damaged or showing signs of damage you may be required to purchase another set.
7. Keep out of reach from children.

Cambridgeshire and Peterborough NHS Foundation Trust: a member of Cambridge University Health Partners
