Dear

Thank you for your email requesting information under the Freedom of Information Act 2000 (FOIA). Please find the response below as requested.

- 1. Who is the individual the Trust reports to on RTT performance at STP/ICS level?**
- 2. What is your budget allocation for RTT/patient pathway validation?**
- 3. Is the Trust using or considering external support for RTT/patient pathway validation and/or data quality improvement?**
- 4. Who is the budget holder for RTT/patient pathway validation at the Trust?**

As a provider of mental health and community services, CPFT is not required to comply with RTT for physical health patients. The Trust is therefore unable to answer the questions. We suggest you contact the local Acute Trusts, who will be better placed to assist in your query.
