Dear

Thank you for your email requesting information under the Freedom of Information Act 2000 (FOIA). Please find the response below as requested.

- 1. The spending per financial year on translation services (written) and interpreting services (oral) for your organisation over each of the following 5 financial years: 2015/2016, 2016/2017, 2017/2018, 2018/2019, 2019/2020, as well as the languages involved. Please do not include data regarding the spending on services for the deaf and blind (such as sign language interpreting or Braille).**
- 2. The total budget for your organisation for each of the 5 financial years the information above is provided on, for all expenses not just for translation and interpreting services, i.e. to include all expenses such as salaries, utilities, equipment, consumables etc., with only the total figure given, no breakdown necessary. For example, I assume the total budget would be a few dozen or hundred million pounds per financial year. This is so that I can calculate the translation and interpreting spending as a percentage of the organisation's total budget (which I suspect would be around or under 0.1%). The data will be compiled, analysed and published on <https://inboxtranslation.com>**

Please find the Trust's response in the attached spreadsheet, as requested.

I trust this information meets your needs. If you have any query or concern about the handling of your enquiry then please contact the Trust's Freedom of Information Lead at the address below or you may ask for a formal review. Internal review requests should be submitted within two months of the date of receipt of this response.
