Dear

Thank you for your email requesting information under the Freedom of Information Act 2000 (FOIA). Please find the response below as requested.

What number of Buccolam syringes were administered to paediatric patients for the purposes of sedation pre procedures over the last 12 months of data you hold (please provide details of what this date range is).

What number of Buccolam syringes were administered to paediatric patients for the purposes of treating epilepsy over the last 12 months of data you hold (please provide details of what this date range is).

If a specific purpose is not discernible please could I request the number of syringes administered to all paediatric patients. If the number of syringes is not possible but the number of paediatric patients that received Buccolam is, then again this information would also be gratefully received.

The Trust has not administered any buccal midazolam to any paediatric patients in the last 12 months.

I trust this information meets your needs. If you have any query or concern about the handling of your enquiry then please contact the Trust's Freedom of Information Lead at the address below or you may ask for a formal review. Internal review requests should be submitted within two months of the date of receipt of this response.

If you remain dissatisfied after the internal review, you may make an approach to the Information Commissioner.
