8. **The number of pregnant workers in your trust (employees, agency workers, self-employed or locum) that are currently in patient-facing roles?**

The Trust does not hold this information centrally. HR holds records of staff that are on maternity leave, and therefore not currently working in their roles.

If you have any query or concern about the handling of your enquiry then please contact the Trust's Freedom of Information Lead at the address below or you may ask for a formal review. Internal review requests should be submitted within two months of the date of receipt of this response.

If you remain dissatisfied after the internal review, you may make an approach to the Information Commissioner.
