Dear

Thank you for your email requesting information under the Freedom of Information Act 2000 (FOIA). Please find the response below as requested.

1. the exact number of people that have died solely from covid 19, with no underlying conditions from 1st Jan 2020 until recently, broken up by age groups within Cambridgeshire and only in Cambridge

The Trust does not hold figures for all of Cambridgeshire or all of Cambridge. The only data we hold is for those individuals who were patients within our own Trust.

The Trust does not hold mortality data, i.e. whether a death was due solely to CoVid-19 or whether there were underlying conditions. Mortality data is held by NHS Digital, who may be reached at enquiries@nhsdigital.nhs.uk.

The total number of deaths within CPFT is available for you to access from the NHS England website, which publishes information on all CoVid-19 deaths in NHS England Trusts. The file may be found at <https://www.england.nhs.uk/statistics/statistical-work-areas/covid-19-daily-deaths/>. Look under the heading Data and there is a downloadable file called *COVID 19 total announced deaths* followed by the date of the most recent figures. This file is updated daily.

Information is exempt from disclosure under the FOIA if the information is available to the applicant by other means. Section 21 states –

21.—(1) Information which is reasonably accessible to the applicant otherwise than under section 1 is exempt information

If you have any query or concern about the handling of your enquiry then please contact the Trust's Freedom of Information Lead at the address below or you may ask for a formal review. Internal review requests should be submitted within two months of the date of receipt of this response.

If you remain dissatisfied after the internal review, you may make an approach to the Information Commissioner.
