**SENT BY EMAIL**

Dear

Thank you for your email requesting information under the Freedom of Information Act 2000 (FOIA). Please find the response below as requested.

**Quantity, type, manufacturer, date of purchase and any information retaining to the infusion pumps used within your Hospital / Trust from 2005 to current date.  
I would be interested in any information held by your organisation regarding my request.**

The Trust does not hold purchase information. Many of the pumps were legacy gear transferred from Cambridgeshire Community Services in 2015 and that is as far back as our records go for Clinical Engineering. With regard to the pumps used by the Trust at City Care Centre, the medical devices on that site are maintained by Althea. They only have records of infusion pumps going back to when their contract began in 2010. New pumps are purchased for CPFT by the charity No Gain No Pain UK, so that organisation would hold the purchase information.

What we are able to provide is a list of the devices currently on the inventory (228), and any that have been decommissioned since the CCS and CPFT services integrated (50). Please find this data in the attached spreadsheet.

If you have any query or concern about the handling of your enquiry then please contact the Trust's Freedom of Information Lead at the address below or you may ask for a formal review. Internal review requests should be submitted within two months of the date of receipt of this response.

If you remain dissatisfied after the internal review, you may make an approach to the Information Commissioner.

Information Commissioner's Office  
Wycliffe House
