Dear

Thank you for your email requesting information under the Freedom of Information Act 2000. Please find the response attached as requested.

I am writing under the Freedom of Information Act with a request regarding partnerships and/or collaboration with Chinese organisations.

Please provide me with details of any placements, secondments or other work, training or study-related collaboration undertaken at your organisation in the last five years with organisations based in China.

This could include, but is not limited to, training courses delivered, exchange programmes offered, or secondments to your organisation for knowledge sharing.

Please provide the date the collaboration started and ended, the name of the organisation, which department the collaboration was related to and (if applicable) the names of any of the Chinese organisation's staff members who worked/undertook training/took part in secondments etc at your organisation for any period of time.

If redacting some information is the only way to enable disclosure, please do so.

The Trust is not part of any partnership or collaboration with Chinese organisations.

I trust this information meets your needs. If you have any query or concern about the handling of your enquiry then please contact the Trust's Freedom of Information Lead at the address below.
