Dear

Thank you for your email requesting information under the Freedom of Information Act 2000. Please find the response attached as requested.

I am a student at Wolverhampton University doing a MSc Mental Health Nursing. I am doing a literature review on 'suicide prevention' on mental health inpatients and would like to request some information, please?

- **Committed Suicide and attempted suicide**
- **Demography (Gender, age, inpatient, section, type of ward)**
- **quantity (rates/statistics) 10 years period 2012 to 2022**

The table below shows all inpatient deaths that have been reported by the coroner as suicide between January 2012 and November 2022. This information has been taken from our incident reporting system.

Regrettably we are unable to provide the information required regarding attempted suicide. This is because although we record all instances of patient self-harm, we would not be able to confirm with certainty that self-harm was an attempt at suicide.

Year of Death	Gender	Age	Inpatient	Section	Type of Ward
2018	M	56	y	no	Treatment ward
2016	F	29	y	no	Recovery ward
2016	M	23	Y	no	Treatment ward
2015	M	23	y	S3	Recovery ward
2014	M	66	y	no	Older Adults Ward (65+)
2012	M	31	y	no	Treatment ward
2012	M	39	y	no	Assessment Ward
