

Visual guide for SaLT Referrals

Is your child **non-speaking**?
(not using/using minimal language)

Complete the non-speaking / minimally speaking referral form

<https://www.cpft.nhs.uk/download/nonspeaking-and-minimally-speaking-referral-form.docx?ver=17622&doc=docm93jjjm4n9922.docx>

Is your concern around your child's **understanding** (e.g. following instructions) or **use of language** (e.g. use of words, using sentences)?

Are you concerned they may have a stammer?

Complete the RFI form

This requires:

- **Stammering RFI form**
- **Language screen** for relevant age (KS1 or KS2)

Is your concern around your child's **speech sounds** and pronunciation?
(e.g. swapping sounds / not making certain sounds (t = 'k', d = 'g'))

Complete the RFI form

if you are concerned about multiple areas of needs (speech / language / stammer) we will require the **relevant screen** for each area of concern- see below (screens available for download on our website: <https://www.cpft.nhs.uk/speech-and-language-therapy-referrals>)

- [EYFS & KS1 Language Screening Tool Forms \[pdf\] 356KB](#)
- [EYFS & KS1 Language screen pictures \[pdf\] 1MB](#)
- [KS2 Language Screening Tool Form.docx \[docx\] 140KB](#)
- [KS2 Language screen pictures.pdf \[pdf\] 1MB](#)
- [Speech screen pictures.pdf \[pdf\] 265KB](#)
- [Speech Sound Screening Tool Form.docx 248KB](#)

This requires:

- **Parent / Carer consent form**
- **Language screens** (KS1 children)
- **Language screens** (KS2 children)
- **12 weeks of intervention evidence***
*evidence not required for children in year 5 and 6

This requires:

- **Parent / Carer consent form**
- **Speech screens**
- **12 weeks of intervention evidence***
*evidence not required for children in year 5 and 6

Eating / drinking referrals:
<https://www.cpft.nhs.uk/download/eating-drinking-referral-form.docx?ver=15931&doc=docm93jjjm4n9918.docx>
